## **Schools Close Until April 29th to Combat Coronavirus Arlington School Districts Plan**

Dear Parents/Guardians:

In keeping with the latest directive by the Governor, the Oregon health Authority, and the Oregon Department of Education, Arlington School District during the closure, all sports and extra-curricular activities will also be canceled and no students will be allowed into the school building without prior arrangements.

- Staff will be on site and preparing education packets for all students, as well as listing educational resources that the students can access. Teachers will be available through phone and email. All communication and questions will need to be directed to the school office.
- As of April 1<sup>st</sup> we will be delivering packets and lunches daily to students at the addresses that are on file with the district. Completed work can be turned into the bus drivers at this time, and will be delivered to the student's teacher for grading. This will include all students that live in Arlington, outside of Arlington city limits and in Boardman. Buses will be leaving the District at approximately 8:00 am for all students outside of Arlington city limits, those that live in Arlington city limits the bus will leave at 9:00am to deliver. Someone at the home should be available to receive these items from the bus as well as return completed work. We will still have pick up available at the Elementary school if that is more convenient for those students who live in town.
- Students of Arlington School District will return on Wednesday, April 29<sup>th</sup>.
- Prom will be rescheduled to May 23<sup>rd</sup> at this time.

As always we continue to clean and disinfect our school buildings on a regular basis and look forward to returning to our regular school days on April 29th. For up to date information please continue to monitor our website [www.honkernet.net](http://www.honkernet.net) or Facebook All Honker.
