4. Superintendent Report:

Mr. Hunking reported the following:

- Science Class would be giving a presentation next meeting
- Governor Kate Brown released her recommendations for state budget. She wants 180 contact days for OR students which would cost the schools a lot more in wages, negotiations, etc. Would have to look into 5 day week school or longer into June, also is recommending more money for Preschool age students which may cause us to look into offering a District Preschool. She is also proposing putting money into unfunded PERS liability.
- East Oregonian has released several articles with incorrect facts. Arlington School District was mentioned as having the 2nd worse grad rate, although this is incorrect.
- School Safety meetings have been started with local law enforcement. We will be starting the “love you guys” drills and training. This will be an ongoing set of meetings and trainings, the next meeting will be Dec 18th at 4pm.
- Community Schools will need to be reviewed the number of classes have dropped and the school is using their liability and payroll, etc for community schools, but no policy or procedures have been written up. This was all formed before the current administration.
